**Re: Application of CUC, Inc. for Adjustment of Rates and Charges**  
**Docket No. 2013-451-WS**

Dear Ms. Boyd:

This firm has been retained to represent intervenors Spring Island Property Owners Association ("SIPOA") and Callawassie Island Property Owners Association ("CIPOA") in the referenced Docket. I am writing about the request for a night hearing in the case. That request is on the Commission's agenda for action at its next meeting.

The request for a night hearing was submitted by Dr. Charles Kalmbach of Spring Island. Representatives of SIPOA have contacted Dr. Kalmbach and discussed the request with him. At the time he made the request Dr. Kalmbach was not aware that SIPOA and CIPOA had decided to intervene in this proceeding. Now that he is aware that the customers of CUC, Inc. are being actively represented in the case through the two associations, Dr. Kalmbach has authorized SIPOA to authorize me to inform the Commission that he no longer believes that the night hearing is necessary.

Please let me know if there are any questions about this matter.

Yours truly,

ROBINSON, MCFADDEN & MOORE, P.C.
